Thungabadra River Cleanliness Awareness Rally (Mantralayam Region)

Introduction

Mantralayam being a sacred place, people from all over India and abroad flock to the town to have dharshan of Sri Raghavendra Swamy and to get His blessings. The temple being situated by the Thungabadra river bank gives the visitors an opportunity to bath in the holy waters. This poses serious water pollution problems as plenty of waste gets thrown into the river. Given the massive and ever increasing number of visitors to Mantralayam, it is very important that the public consciously use the river and the temple surroundings. The Trust hopes that conducting awareness rallies will help achieve the following objectives:

Goals

- To spread awareness among the visitors to Mantralayam to eradicate/reduce defecating in the river, thereby reduce water pollution.
- Achieve a clean and tidy river and river-bank around the Mantralayam region.
- Educate children to be "Socially Responsible".

Participating Schools

- Parimala Vidya Niketan School, Mantralayam
- Zilla Parishad High School, Mantralayam

Requirements

- Each rally will be for 1 hour and 30 minutes with breaks in-between. Children will march around Mantralayam.
- Each school must participate in 10 rallies from August '15 to February '16. In general, the school will participate in one rally in a month. Additional rallies will be conducted during holidays to make up 10 rallies in 7 months.
- Maximum 50 students per school. Same set of students must participate every time in the rally. **ONLY those students attending at least 9 out of 10 rallies will receive an award certificate.**
- School should provide voluntary staff to organize the rally. The designated voluntary staff should participate in the rally to manage the children.
- Students must bring a couple of water bottles with them. No refreshments will be provided.
- Except for the below mentioned award certificate, no other compensation (monetary or otherwise will be provided by the Trust).
- Charts to display "Awareness Slogans" may be prepared by the children on a voluntary basis. No resources will be provided by the Trust for this purpose.

Award Certificate

- The Trust will issue a "Social Awareness Award Certificate" **ONLY** for those students who attend at least 9 out of 10 rallies.

An Appeal

This project is currently self-funded by the Founder-President of the Trust. Please forward this brochure to your family, friends and personal/business acquaintances as you see fit so anyone willing to join hands with him may do so. This will enable the Trust to extend the project to provide additional garbage bins in the area, erect cleanliness hoardings and may be even do actual cleaning of the river (in the Mantralayam region). Thank you for your time & efforts!

Together we can make a difference in this Universe!
